PREFACE.

This volume, the fourth volume of our series of extant Buckinghamshire Registers, includes the Marriage Registers of six parishes, five of which commence in the sixteenth century.

It has not been thought needful to print the entries verbatim. They are reduced to a common form and the following contractions have been freely used:—

w.=widower *or* widow.
s.=spinster, single woman, *or*
son.
b.=bachelor *or* single man.
d.=daughter.

p.=of the parish of.
co.=in the county of.
dioc.=in the diocese of.
lic.=marriage licence.
publ.=publication of intended
marriage.

The Register of Chenies was transcribed by the Rev. Reginald Shann and for the rest Mr. Thomas Gurney has been responsible. Other volumes containing parishes in South Bucks will be issued in due course.

Thanks are due to the Parish Clergy for their valued co-operation. Their names are mentioned under the respective parishes.

It may be well to remind the reader that these printed abstracts of the registers are not legal "evidence." For certificates application must be made to the local clergy.

The Editors will gladly welcome help in the work of transcribing the registers and will be glad to hear from any of the clergy who are interested. It is only by volunteer assistance that it becomes feasible to issue this series of parish registers.

Volume V is in the Press, and will be issued to the subscribers at an early date.

Buckinghamshire Parish Registers.

Marriages at Amersham,

1561 to 1812.

NOTE.—It is scarcely necessary to mention that the name of this parish was formerly Agmondesham.

Volume I.—The present Rector, Rev. C. E. Briggs, has just had this register repaired and rebound, at the same time retaining the original parchment covers. It now measures $12\frac{1}{2}$ ins. by $9\frac{1}{2}$ ins., and consists of 81 leaves of parchment, closely written.

It contains the Baptisms, 1561 to 1661 ; Burials and Marriages, 1561 to 1653. Only one marriage is recorded between 1647 and 1656, and that is indistinct.

The christian names down to 1598 are latinised.

Volume II. is a register of convenient size, measuring $11\frac{1}{2}$ by $7\frac{1}{2}$ inches. It contains 59 parchment leaves and is bound in smooth leather. At the commencement is the following note :—

“ 1656. Oct. ye 19th. Paul ford was then lawfully elected Register, and sworne by Francis Russell Esq., J.P. the 20th. of the same month. This same Francis Russell lived at ye Hill Farm, in ye parish of Chalfont St. Giles and on ye confines of this Parish ; he was one of Oliver's Justices and a fit man for ye times. I knew his son, a kind of [Non. Con.] who came to poverty and sold ye Farm. General Fleetwood lived at ye Vache, and Russel on ye opposite Hill, and Mrs. Cromwel, Oliver's wife, and her daughters, at Woodrow High House, where afterwards lived Capt. James Thomson, so ye whole country was kept in awe, and became exceeding zealous and very fanatical, nor is ye poison yet eradicated. But ye wh. persons [Whartons] are gone and ye Hampdens agoing. B.R. 1730.”

Volume III. does not contain any Marriage entries.

Volume IV. is a large thick book, measuring 19 by $8\frac{1}{2}$ inches, parchment with strong vellum covers. It contains Baptisms and Burials, 1726-1812 ; Marriages, 1726-1754. The writing is bold and legible ; sixty leaves are blank.

Volume V. is the usual “ Register-Book of Banns and Marriages according to Act of Parliament,” 1754-1779. The pages consist of

printed forms and it is bound in rough sheepskin. The word "banns" after an entry indicates that the marriage is not recorded.

Volume VI. is similar in appearance to the preceding one, but in this book the Banns, 1779-1802, and Marriages, 1779-1812, are kept in separate divisions. Of the former there were 38 not found amongst the Marriages, but these would appear in the register of the parish in which the Marriage took place.

These extracts have been made by Mr. Thos. Gurney, and are now printed under his supervision by permission of the Rev. C. E. Briggs, the present Rector of Amersham.

* It appears that there were the two marriages, Hester & Kentish, as entered, 18 Oct. and 22 Oct., 1807. The names in the Register are entered as printed, but below is the mark * of James Hester, and the mark * of *Lydia* Kentish. But it is to be noticed that Lydia Hester was married on the same day and there may have been some confusion of names.

Marriages at Chalfont St. Giles,

1584 to 1812.

NOTE.—Vol. I., is written on parchment, (11½ ins. by 9 ins.,) and bound with loose parchment covers, (13 in. by 10 ins.) The writing is neat and clear throughout the greater portion of this volume.

Vol. II. (14 in. by 11 ins.), on parchment and bound in vellum to which are attached the remains of two clasps. On the first page are inscribed two Memoranda concerning a parcel of ground, &c. In parts the writing is so faded as to be scarcely legible. The leaves have been mutilated in three places. The publications of intended Marriages and the Register of Marriages have been collated and discrepancies noted. Where the word “publication” or “banns” appears it indicates that the Marriage is not recorded.

Vol. III. is on parchment and bound in sheepskin, 14 ins. by 12 ins. It contains the Baptisms and Burials from 1750-1801, but only two Marriages. A note on the fly leaf states that the Marriages from 1780-1789 and from 1790-1799 were 60 and 48 respectively. These are recorded in the next vol.

Vol. IV. is on parchment and bound in sheepskin, 15½ ins. by 10 ins. A note on the first page states that this Marriage Register Book was printed in London for Thos. Lownds, bookseller, near Exeter Exchange.

These extracts have been made by Mr. Thos. Gurney and are now printed under his supervision by leave of Rev. H. O. Fearnley Whittingstall, Rector of Chalfont St. Giles.

Marriages at Chalfont St. Peter,

1538 to 1812.

NOTE.—Vol. I. contains Baptisms, Marriages and Burials on parchment bound in vellum. The writing is small, neat and clear, but the last leaves are discoloured. It is slightly mutilated in places, and measures 6 ins. by 13 ins. “Maxime membranis scriptum mense Martij A.D. 1604.”

Vol. II. “A register of all the Christenings and Burials and Marriages in the parish of Chalfont St. Petrus for the yeare of our Lord 1624, James Bradshawe being Vicar, Thomas Wood and John Russell churchwardens.” It is on parchment bound in vellum, and measures 8 ins. by 13 ins. The writing is neat and clear except the last few pages, which are in various handwritings, and contain several blank spaces.

Vol. III. is on parchment bound in vellum, and measures 6½ ins. by 14 ins. Three paper leaves at the beginning and three at the end have been added for the years 1695-1704. At the year 1693 there appears to have been a dispute over an affidavit “buried in woollen.”

Vol. IV. is on parchment bound in calf or sheep skin. It measures 8 ins. by 13½ ins., and contains 5½ loose sheets with Baptisms, 1675-1696.

Vol. V. is on parchment bound in vellum and measures 8 ins. by 12 ins.

Vol. VI. is on paper with leather binding. It measures 10 ins. by 15 ins. The latter half contains Banns which have been collated with the Marriages. There are two loose sheets giving an account of the church utensils, vestments, etc., and also an annuity to provide bread for thirteen poor unmarried women.

Vol. VII. is of the same size and binding as the preceding one.

These extracts have been made by Mr. Thos. Gurney, of North Kensington, by leave of Rev. Roland Allen, lately Vicar of the parish, and are now printed under his supervision by leave of Rev. C. S. A. Whittington, the present Vicar.

Marriages at Hedgerley,

1539 to 1812.

NOTE.—The name of this parish is derived from the Manor of Hugeley. Vol. I. contains Baptisms and Burials from 1539 to 1805; Marriages, 1539-1753, on 98 leaves of parchment, of which 14 are blank. It measures $9\frac{1}{2}$ ins. by $6\frac{1}{2}$ ins. It is in excellent condition, being bound in smooth leather upon which is stamped the year 1636, when it was re-copied. On the first page is inscribed "Hedgley, 1636." Tempore Guilielmi Fosteri, Artium Mri, Rectoris. Very many of these Marriages are of persons not resident in the parish.

On the last page is the following note:—"This book was delivered to me by an —— hand, Feb., 1676, who either would not or could not tell me from whome he had it. But *it* seemed to receive it from the boy which he brought, though he gave me no account who sent it, being not mine owne but the parish contents."—John Hill, Rector of Hedgerley.

Vol. II. is a book of printed forms with the Banns on one side and the Marriages opposite. It measures $15\frac{1}{2}$ ins. by $10\frac{1}{2}$ ins., and is bound in rough doeskin. One or two pages at the commencement seem to have been removed.

The Marriage entries in this Vol. are proportionately less numerous than in the preceding one.

These extracts have been made by Mr. Thos. Gurney, and are now printed under his supervision by leave of the Rev. J. H. Matthews, Rector of Hedgerley.

Marriages at Stoke Poges,

1563 to 1812.

NOTE—The name is derived from the Manor of Stoke and the family name Pogeys.

Vol. I.: Marriages, 1563 to 1653; Baptisms, 1563 to 1654; Burials, 1564 to 1653, consists of 30 leaves of parchment, one of which has been cut out. The latter may have contained the Burials for 1563 but has the appearance of having been blank. This register is bound in plain boards, 17in. by 6in. The writing is fairly clear, although some of the leaves are discoloured.

Vol. II. consists of 84 leaves of parchment bound in sheepskin, and measures 13½in. by 6½in. The first four leaves contain the publications of 24 intended marriages, 1653 to 1658. Then follow the Marriages, 1653 to 1753; Births, 1653 to 1763; Burials, 1653 to 1768.

Vol. III. is a book of printed forms measuring 15½in. by 10½in. It contains Banns, 1754 to 1808, and Marriages, 1755 to 1797.

Vol. IV. is a book of printed forms of which only 18 pages were used. It measures 15in. by 10in., and is bound in doeskin[?].

These extracts have been made by Mr. Thos. Gurney, of North Kensington, and are now printed under his supervision, by leave of the Rev. J. F. Hoyle, Vicar of Stoke Poges.
